

# PARKER LUCKY-CURVE DUETTE SETS

## (Combination Pen and Pencil Sets)

A beautiful and serviceable Parker Duette Set makes an ideal gift. These sets consist of a metal barreled pen and an automatic pencil—which match. The workmanship is the most beautiful and precise that we have ever seen, and their mechanical perfection makes them as nearly perfect a gift as it is possible to find.

Parker Duette Sets come in plain and artistically designed patterns. They are furnished in Sterling Silver, Yellow Gold and Green Gold finishes. Sets are furnished with chatelaine rings for women or with clips for men. Each set comes in a beautiful velvet lined gift box.
